

Veteran Car Club of WA (Inc)

Wild Apricot Membership Management Database

Registering for an Impromptu Run.

Should you wish to use your Concessionally Licenced vehicle under the Impromptu Run provisions of Code 404 licensing rules, it is necessary for you to log the run on the Club's run log.

To make this as simple as possible, the impromptu run log for the current calendar year has been created as an "Event" in Wild Apricot. You simply need to register for this event.

Go to <https://veterancarclubofwesternaustralia.wildapricot.org/> and log in using your email address and password that you should have received and activated.

You can also join the event using the Wild Apricot app on your mobile phone. Having this app on your phone has a big advantage as it provides you with a "Ticket" to the Event (an Impromptu Run in this case) so is evidence that you have registered the run.

Remember, an Impromptu Run is only valid for one day.

Procedure

1. Click on the "Log In" button (top right hand corner) and log in using your email address and password.
